VISI-COOLER

SVC4

The commanding display of the product in this countertop visi-cooler will increase your sales dramatically in a surprisingly efficient footprint. Forced air cooling pulls down after opening, so the glass remains crystal clear. This proven design with years of service in the field is a go-to piece for any retail location.

Key Features

Compact Design

- For use on countertops
- Minimal space required

Equipped for High Ambient and Humidity

- Engineered for high performance
- Forced air cooling minimizes condensation
- Fast pull-down door keeps display clear

Focused on simple maintenance

- Low maintenance costs
- Low service costs

Low Energy Usage

- Energy efficient uniform cooling
- Environmentally friendly CFC free refrigerant

Ready For Your Custom Graphics
